Welcome, Guests!

We are grateful that you have remembered the Sabbath to keep it holy.
We believe the Lord led you here.

We welcome little children as we worship! In respect for others, you may bring your child(ren) to our well equipped, staffed nursery during the service. Our speaker system provides excellent audio of the service in the Narthex and nursery. —Thank you.

Here at Faith Community Lutheran...we almost always follow the traditional order of worship familiar to most Lutherans, but usually our services are a “blend” of old and new music. As Lutherans, we view ourselves as a church of “Word & Sacrament.” Therefore, “God’s Word” is held in high esteem as we follow the Scripture readings and the sermon with our Bibles open.

FCLC is among a growing number of Lutheran Churches committed to celebrating the Sacrament of Holy Communion every week, including the baptized of all ages. As we begin our worship, all are invited to “examine themselves” (1 Cor.11:28) during the Confession as we prepare to receive the Word and Holy Communion. Children of all ages may receive the sacrament! However, if parents prefer, small children may receive a grape given with the words, “Welcome to the Lord’s Table.”

2nd Weekend after Pentecost

June 5 & 6, 2010

"You turned my wailing into dancing; you removed my sackcloth and clothed me with joy."

Psalm 30

Have you ever gone through a rough time compulsively recounting all the ways you have been badly used, all the painful things that have happened to you, all of your justifiable grudges? It's difficult to interrupt that miserable chorus, but until you stop reviewing the record of your grievances, you will find no peace. We all know that, though we find it hard to act upon.

Psalm 30 is the glorious opposite of the grouching life. It begins and ends in thanks and praise. Yes, David refers to his own list of woes: depression, a brush with death, the knowledge that God was angry with him, and his sense that God abandoned him. But he is not *savoring* them. He remembers as well his own arrogance — the times when he foolishly thought he was safe from any further harm, and he repents of that. The great lesson in the psalm is that, through it all, from beginning to end, he remembers God's mercy and faithfulness, and responds with thanks and praise. The whole psalm is a hymn of praise.

Like David, we have a history with God. How many times has he snatched any one of us from the brink? What a different thing it is to concentrate on the blessed snatching than to concentrate on the pain of being on the brink.

It is in the remembering and the praise and the thanks that David finds joy. We can too. Thanks be to God.

- Chris Goble
